∞ COMMON WEDDING QUESTIONS ∞

Can I get married at your facility?

Yes! We host many weddings in our courtyard, atrium or banquet rooms.

May we take our pictures in the hotel?

If you are looking for a location to offer guaranteed weather conditions for your pictures, in front of our stone fountain is the place. The charge for this area is \$100.00.

What does the room rental fee pay for?

You will receive professional set up and tear down of all tables, risers, lattice, etc. Also included are all linens (table skirting, table cloths, choice of colored napkins), all flatware, all china, risers, any extra tables for cake, gifts etc., music system, and dance floor & table numbers.

If I have my gift opening at the hotel the following day, can you supply a meeting room?

We love to take the work off of you and put our professionals to the task. We can provide a private space for your event at a surprisingly reasonable rate. You can choose from our scrumptious in- house catering, we also make a great place to have the rehearsal dinner!

If I need hotel guestrooms for family and friends, do I get a better rate?

Offering you a special guestroom rate is one of the many extras we like to offer our brides & grooms celebrating their special day with us.

What is SOCAN? And why am I required to pay it?

SOCAN is an acronym for Society of Composers, Authors & Music Publishers of Canada. This fee is a tariff put in place by the Canadian Government and is charged at every facility that hosts receptions, conventions, assemblies and/or fashion shows.
